

It's Time To Celebrate

April is Community Banking Month!

This year, we are offering a choice of three designs that can be customized to enhance the promotion of your institution! Statement stuffers have been designed for you, as well as ads and a press release for your local newspapers; and all of these materials can be customized with your institution's logo and contact information! We will customize these items and then send to you, your printer or your community's local paper as you request. Plan to participate in this nationwide celebration of your bank's contribution to your local economy, businesses and consumers.

To participate, simply complete the form on the back. **Of course, we offer the Free Package to all members. The Basic Package includes a number of items including customized newspaper ads and a website banner for a low \$99 (previously priced at \$150). The Choice Page is only \$150 (previously priced at \$210) and includes a number of ways to ensure your celebration is a success and a great PR opportunity for your bank.** The coordinating promotional items are affordably priced and make a professional statement to your customers.

Order your supplies today and ensure your bank's Community Banking Month celebration will be a huge success!
