FOR IMMEDIATE RELEASE

March 4, 2019

Kentucky – Dee Anna Hatfield, Correspondent Lending Manager, is pleased to announce **Northeast Georgia Bank** as a Magnolia Bank 2018 Pinnacle Club Award winner.

The Pinnacle Club Award recognizes the top mortgage producing clients working with Magnolia Bank. To be recognized in the Pinnacle Club the organization must be one of the top ten residential mortgage producers for the year.

“We are very excited to honor Northeast Georgia Bank and Sissie Herring, the bank’s Senior Mortgage Loan Officer, with this award,” said Magnolia Bank Account Executive Hilt Moree. “Northeast GA Bank is a great partner. They are first and foremost customer focused and they always strive to meet the needs and expectations of their customers. Sissie, in particular, really knows the ‘ins and outs’ of what can sometimes be a daunting mortgage process and she uses that knowledge to help make her customers’ experience as streamlined and easy as possible” Moree added.

Magnolia Bank, headquartered in Magnolia, Kentucky, is a National Residential Mortgage Correspondent Lending Group, purchasing and selling more than one billion dollars in residential mortgages in 2018.

Northeast Georgia Bank has been in existence since 1906 and has 11 branches in Franklin, Hart, Elbert, Stephens, Jackson and Banks counties.
